The Concorde Fire program is an exceptional co-ed soccer program for children 4-6 years old. There are no tryouts for the U6 Sparks program and registration is based on space availability. This program concentrates on providing young players with a solid foundation in basic soccer technical skills. This is achieved through fun and challenging exercises and small-sided games.

Flames Program

Fridays 5pm— 6:30pm

Sundays 1pm—2:30pm

(ages 6-8, Birthdates 8-1-2001 to 7-31-2003)

A \$235 fee includes uniform and trophy.

There are no tryouts for the U8 Flames program. This program meets twice a week. One session will include skill training as well as small-sided games. While the emphasis is still on personal skill development, the players begin to get a feel for the bigger field, and the coaches can begin to incorporate the idea of field positioning. Interested players may register on a space-available basis.
