**Concorde Fire U14G Elite and Black Teams Win Big At CASL Shootout**

Concorde Fire sent three U14 girls teams to the CASL shootout (Elite, Black and Red) and two came home with champions' medals. The Elite team, playing in the Champions "C" division, plowed through their bracket on the strength of a defensive back four who did not yield a single goal in 210 minutes of round-robin play. In the

finals, the team pulled out a last minute 2-1 victory over the Velocity (TN) when forward Ryan Davie scored the winning goal with just seconds left in the regulation. The Black team, playing in the Elite "A" division, knew on Sunday that to advance they had to hold their opponents scoreless in the morning game and went on to win that game in dramatic fashion 1-0 on a 65th minute goal from midfielder Sarah Durdaller. The finals against a very good Richmond Elite club proved just as dramatic, with the game going to overtime after a 0-0 score at the end of regulation. Forward Grace Radler buried a high, hard shot two minutes into the overtime and the Black team hung on, turning back the all-out assault by Richmond. The Elite team, who had run back to the field after claiming their champions' medals, rushed onto the pitch when the final whistle blew for a memorable victory celebration.
